Riyan Foods and Spices LLP

A trusted partner for international agri-commodity trade, built on quality, compliance, and consistent supply.

Established in 2025, Riyan Foods and Spices LLP is a Bhavnagar, Gujarat-based agri-commodity export company with one focused goal — delivering premium Indian products to global buyers with verified quality, certified documentation, and consistent supply.

We operate across five export categories: Spices, Grains, Pulses, Millets, and Dehydrated Products. Our sourcing network spans Rajasthan, Gujarat, Andhra Pradesh, Tamil Nadu, Karnataka and Madhya Pradesh — India's finest growing regions.

Every shipment is backed by full documentation including Certificate of Analysis, Phytosanitary Certificate, Certificate of Origin, Fumigation Certificate, and Bill of Lading — all managed in-house by our dedicated export team.

CERTIFICATIONS

- APEDA** Govt. of India mandatory export registration
- FSSAI** Full food safety compliance
- Spices Board** Unlocks global market access
- IEC** DGFT import-export code
- GST** LUT zero-rated export compliant
